HABITAT FOR HUMANITY OF EVANSVILLE, INC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND PURPOSE

Nature of Organization and Purpose

Habitat for Humanity of Evansville, Inc. is a nondenominational Christian not-for-profit organization whose purposes are to partner with specific domestic and international habitat programs by constructing modest but adequate housing, and to associate with other organizations functioning with purposes consistent with those of Habitat. Habitat's goal is to eliminate poverty housing and homelessness worldwide and to stir the hearts and minds of others to take action on this issue.

Habitat's mission is fulfilled primarily through the efforts of volunteers and operates in Vanderburgh County.

Habitat is exempt from federal income taxation under Section 501(a) as an organization described in Section 501 c (3) of the Internal Revenue Code of 1986, as amended, pursuant to a group exemption letter received from the Internal Revenue Service.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The organization has adopted Statement of Financial Accounting Standards No. 117 "Financial Statements of Not-For-Profit Organizations". Accordingly, the Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. At June 30, 2009, the organization had net assets with temporary restrictions totaling \$18,825.

Contributions

The Organization has adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made". In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires during the same period the support is received. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets based on the nature of the restriction. When the restriction expires or its conditions have been satisfied, restricted assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Promises to Give

Contributions are recognized when the donor makes a promise to give to the organization that is, in substance, unconditional. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give in subsequent years are reported at the present value of their net realizable value, rates ranging from 4 to 6 percent to be received.

The organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Cash and Equivalents

For purposes of the statement of cash flows, the Company considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributed Services

Numerous volunteers donated significant amounts of their time in the organization's program services and its fund raising campaigns. The value of this contributed time is not reflected in the financial statements since it does not require a specialized skill. However, certain other contributed services that require specialized skills, provided by individuals possessing those skills, which would otherwise need to be purchased, if not provided by donation, are recognized as revenue and expense. Such amounts are included in the accompanying statements of activities and changes in net assets.

Investments

Short-term investments are carried at lower of cost or market and have a maturity greater than three months.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Property and Equipment

Property and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized. Any donated property and equipment is carried at its fair market value.

Revenue Recognition

Revenues are recognized when homes are completed and a signed mortgage is received by Habitat of Evansville, Inc.

Transfer to Homeowners

Houses sold are carried at cost that includes goods and services that have been donated by the community. The donated goods and services are valued at their fair market value.

NOTE 3 - MORTGAGES RECEIVABLE

NOTE 7 - HOUSES FOR SALE

Houses for sale represents the cost of homes that Habitat of Evansville, Inc. has received from a qualifying family or has foreclosed on the mortgage and construction in process.

NOTE 8 - LEASES

Habitat of Evansville, Inc. leases its office space from Ocnad Investments, LLC. with an expiration date of December 31, 2015, and monthly rents at \$2,600.00 per month. The total rent expensed for the year ended June 30 was \$31,200

NOTE 9 - CONCENTRATIONS OF CREDIT RISK

Financial statements that potentially subject Habitat for Humanity of Evansville, Inc. to concentrations of credit risk consist principally of cash and operations in Vanderburgh County. The Organization does not have any excess balances over the insured amounts at June 30, 2009.

NOTE 10 - OTHER MORTGAGE RECEIVABLE INFORMATION

In 1994, Habitat for Humanity of Evansville, Inc. began issuing second mortgages on homes they sold to qualifying families. The second mortgage was designed to discourage mortgagees from selling properties in the first 10 years, due to the market value exceeding the value of the first mortgage.

The organization believes that early termination gains are remotely possible and would represent immaterial gain, so therefore no gain or loss has been included in the financial statements nor its potential impact on them estimated.

NOTE 11 - LETTER OF CREDIT

The organization carries a letter of credit at Integra National Bank for \$500,000 in order to cover infrastructure costs that are in process. The city requires such costs to be secured until final inspections can be made. None of the letter has been used at June 30, 2009.
