about us

our vision

A world where everyone has a decent place to live.

our mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

core values

1. Demonstrate the love of Jesus Christ.
2. Focus on shelter.
3. Advocate for affordable housing.
4. Promote dignity and hope.
5. Support sustainable and transformational development.

a note from leadership

Through your generous support and prayers, you have given a hand-up to 447 homeowners in the last 34 years through Habitat for Humanity of Evansville – quite an accomplishment! Eight of those homes were dedicated during the 2015-16 fiscal year. Habitat homeowners are building stronger lives for themselves and their families, focusing on attaining financial stability and helping transform their neighborhoods as well as our community thanks to your generosity.

It takes the combined efforts of partner families, volunteers, donors, organizations, businesses, and civic officials to build a strong community, transform neighborhoods and change lives. Habitat has certainly been blessed by each and every one of you. We would especially like to thank our returning partners and build sponsors: Traylor Bros., United Church of Christ and Disciples of Christ Churches, Lutherans for Habitat, Catholics for Habitat, the Interfaith Advisory Council, the Alan and Sharon Braun Family Foundation as well as an anonymous donor who sponsored a home in memory of John H. and Mary Ada Berg.

While Habitat continued to build homes, we needed to look to the future and work towards being able to continue this important work year in and year out. The 2015-16 fiscal year was a year of connecting with families in need of a decent home and rebuilding Habitat's financial resources. With your help, we accomplished both. During the year, we increased the number of families working on sweat equity – this means more families will be served in the coming year. Like most nonprofits, the economic downturn of the last decade took a toll on our financial resources, and we struggled to recapture those funds. During 2015-16 we saw a resurgence of financial support due to the incredible campaign leadership of Alan and Sharon Braun and the hundreds of other donors who know the impact that having a decent, affordable home has on the life of a family living in poverty. With the success of our Transforming Lives, Changing Neighborhoods campaign, we are on track to build the 500th Habitat home by 2018. On behalf of the current and future families who will be served by your generosity, THANK YOU!

We are excited for your future involvement with this great work! Together we will not only provide homes for families in need, but also equip them with the skills they need to be successful homeowners, positive neighbors and community-minded citizens.

With gratitude,

Beth Ann Folz

campaign updates

- **\$6.4 million goal attained**
- **8 new homes built**
- **8 families lives transformed through shelter**
- **Each homeowner trained through Habitat's 6-month Money Management Seminar**
- **Neighborhoods changed in Vanderburgh and Posey Counties through impact of placing financially responsible, trained homeowners into their communities**

transforming lives, changing neighborhoods

every donation helps build more homes for more families in our community

Thank you to our donors who have made this campaign a success. You are directly impacting the lives of families within Vanderburgh and Posey Counties and transforming the neighborhoods within our community. Through your continued support we will build strong foundations for lives to be changed and empower others to seek strong, stable futures.

Board members Julie Cline and Joyce Donaldson working on Habitat build site.

every homeowner can positively impact their neighborhood

campaign goals 2015-2018

- Build a transformational family support program that empowers families to become successful homeowners and leaders in the community
- Build the 500th Habitat home by 2018 by constructing homes in eight neighborhoods in Vanderburgh and Posey Counties in need of revitalization
- Build sustainability of the Habitat organization through comprehensive resource development, robust communications and faithful stewardship of gifts

Habitat homeowner, Doris JoAnn D., giving back her time as a volunteer at the Habitat office.

habitat's future homeowner 6-month money management seminar

In January of 2016, Habitat for Humanity of Evansville hired Donna Milam as its Family Services Director. Donna has worked to expand and improve the Family Services Department, including updating policies and developing new curriculum. With the help of dedicated volunteers and committees, there has been a dramatic improvement in Habitat's ability to train future homeowners for success.

Habitat's 6-Month Money Management Seminar, a new course offering, focuses on budgeting, saving, management of resources and living intentionally. With one-on-one mentoring from a budget partner throughout this 6-month period and the first year of homeownership, each homeowner will be equipped with the skills and knowledge to become financially stable and maintain their home.

The Money Management Seminar is an important element of helping families grow stronger, more stable, and more self-reliant – in short, to transform their lives!

Core Crew Member since 1991

join core crew today!

As we continue our efforts towards building 500 homes by 2018, we are greatly in need of individuals to join our Core Crew. We are seeking long-term, mission-oriented individuals to join our year-round volunteer team. You do not need experience! Every hand makes a difference, and new members are paired with more experienced members while they learn Habitat's build process and techniques. From leading builds and mentoring volunteers to having a specialized skill, Core Crew members are dedicated volunteers who give their time on the construction site. These men and women volunteer on a combination of Tuesdays, Wednesdays and Saturdays from 7:30 a.m. to 2:00 p.m. in partnership with future Habitat homeowners at Habitat for Humanity of Evansville. Giving at least 80 hours a year, Core Crew volunteers are an essential element to building houses.

If you are interested in joining our Core Crew, or if you know someone who would enjoy being a part of our Core Crew, please contact Andrea Ward by email at award@evansvillehabitat.org or by phone at (812) 423-5623 ext. 33. Remember, every hand makes a difference!

Thank you to the Board of Directors
and to all committees for your
service throughout the 2016 fiscal
year. You are essential to the
successful operations at Habitat for
Humanity of Evansville.

every moment

builds the habitat story

interfaith build for unity projects

In its second year, the Interfaith Advisory Council (IAC) will represent Evansville as one of the 14 participating affiliates around the country to participate in the Build for Unity initiative. The IAC will sponsor two Build for Unity projects: the 2016 Interfaith Build and the first-ever Millennial Build. The Millennial Build will seek to unify members of our community ages 18-36 and provide them with the opportunity to build a home alongside a future Habitat homeowner and fund an entire house.

rock the block

To kick off Habitat building in Jacobsville, we hosted Rock the Block, a block party celebrating all the revitalization efforts happening in the area. Thanks to our numerous community partners, we were able to host a housing resource fair where residents could obtain information about several community services and nonprofit organizations. Attendees enjoyed free picnic food, bounce houses and inflatables, carnival games, a Boom Squad, Inc. performance and cardboard house parade for the children. The Habitat celebrations included a groundbreaking and a wall raising. The day was capped off with the dedication of the first Habitat home in Jacobsville!

Habitat's first-ever signature fundraising event, Hard Hats and High Heels, was a one-of-a-kind event that brought people together on November 12, 2015, at the Evansville Country Club to help raise money to build homes for families in need of decent, affordable housing. Dressed to impress, the attendees had the opportunity to walk down a red carpet to an entertaining night filled with a silent and live auction, dinner and testimonials from children of Habitat homeowners.

youth united lining up for habitat

guatemala

In February 2016, a team of 12 from Evansville traveled to Guatemala to help build houses and smokeless stoves with Habitat for Humanity of Guatemala. Each day the team helped build the foundation for the home of future homeowner, William Batres. A rotating group of four would also complete a smokeless stove for an indigenous Mayan family each day.

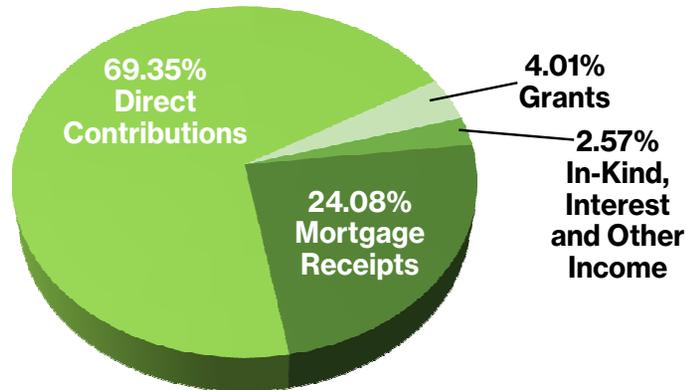

For every house built locally, a portion of the donations go to building homes around the world in countries that lack fundraising programs and have a great need for housing. We currently tithe to Haiti and Jordan.

In April 2016, Youth United, Habitat's high school group, hosted its first-ever fundraising event, Lining Up for Habitat. The family-friendly event had attendees up and moving – learning more about Habitat and how to line dance. The event raised more than \$4,000, which was matched by a grant from State Farm. We send special thanks to Vicki Brasel and Pam Lentz, State Farm agents, for being our title sponsors.
