

every hand makes a difference

Habitat for Humanity of Evansville's Core Crew is a diverse and dedicated group of volunteers who share a common passion for building quality homes for families seeking a better future through the Habitat homeownership program.

From leading builds and mentoring single-day volunteers to having a specialized skill and enjoying the daily camaraderie, Core Crew members are volunteers who give their time on Habitat construction sites.

Giving at least 80 hours per year to building homes in partnership with future Habitat homeowners, these men and women are essential to the success of Habitat for Humanity of Evansville's mission – building homes, communities, and hope.

everyone
deserves a decent place to live

No matter who we are or where we come from, we all deserve to have a decent life. We deserve to feel strength and stability day after day. We deserve to know we have the power to take care of ourselves and build our own future. Through shelter, we empower. Because you, me, we – we're all humans. And every one of us deserves a fair chance.

Your support gives families the opportunity to help themselves. Homeownership allows families to save more, invest in education, live in healthier environments, and have more financial stability. It's the foundation for success and a better future.

Please give your financial support, your time, or your voice to help create a world where everyone has a decent, affordable place to live.

Habitat for Humanity of Evansville

560 E. Diamond Avenue | Evansville, IN 47711

Core Crew

**everyone
can help
build a better world**

No construction experience is needed to get involved with Habitat!

www.evansvillehabitat.org

everyone can build a house

While experience in construction is always welcome, the majority of our Core Crew have no experience prior to volunteering with Habitat. New members are paired with more experienced members while they learn Habitat's build processes and techniques.

"We feel blessed to be able to give back to such an important organization. It is a great experience for us to see the smiles on the face of the new homeowners when they receive the keys to their new homes."

-Kathy and Dan Schenk,
Core Crew members since 2014

Join Habitat's Core Crew Today!
