everyone

deserves a decent place to live

No matter who we are or where we come from, we all deserve to have a decent life. We deserve to feel strength and stability day after day. We deserve to know we have the power to take care of ourselves and build our own future. Through shelter, we empower. Because you, me, we – we're all humans. And every one of us deserves a fair chance.

Your support gives families the opportunity to help themselves. Homeownership allows families to save more, invest in education, live in healthier environments, and have more financial stability. It's the foundation for success and a better future.

Please give your financial support, your time, or your voice to help create a world where everyone has a decent, affordable place to live.

From Acceptance to Dedication

- Once accepted into the Habitat homeownership program, families and individuals work on completing 300+ sweat equity building their home and the homes of others. They also take a number of homeownership courses and meet with a budget partner.
- After 150 hours, the future homeowner(s) will select their house lot and be paired with a house sponsor.
- After 200 hours, home construction begins and sponsor build days can be planned.
- At 300+ hours, the home nears completion and the dedication is planned.
- After a closing class and finalizing paperwork, the homeowner(s) will be ready to move into their new, affordable Habitat home.

Making a Donation

- Every gift truly makes a difference in the construction of a family's home. Online, you can select which home you'd like to support and what you'd like to fund... from the nails and screws to the entire roof of a home!
- Make a gift in honor or in memory of a loved one and receive recognition in the Habitat newsletter.

Building Homes and Futures

WHY GIVE: Habitat for Humanity of Evansville partners with low-income families and individuals who are seeking a hand-up, not a hand-out.
