About Walking for Dreams

Walking for Dreams began in Indianapolis in the spring of 2004. In 2016, the walk was expanded to include Evansville, Indiana.

When you choose to become a Walking for Dreams sponsor, you are choosing to amplify your giving through a proven process. Your support helps charities raise community awareness about what they do and raise funds that enable them to continue improving the lives of others.

About Habitat for Humanity of Evansville

Habitat for Humanity of Evansville builds houses in partnership with people in need and then sells the houses to homeowner partners. Homeowners are selected based on their need for housing, ability to repay a zero-percent APR mortgage, and willingness to partner with Habitat. Homes are built on volunteer labor, and mortgage payments are affordable for low-income partners.

Habitat for Humanity of Evansville
 560 E. Diamond Avenue,

Give Local Families a Hand Up!

Step 1: Set Goal and Recruit Team

Try to set a goal of raising at least \$250 and ask family, friends, coworkers, and neighbors to sponsor and walk with you. Walking for Dreams will give Habitat for Humanity of Evansville \$25 per walker for each person who raises \$250 and \$50 per walker for each person who raises \$500!

Step 2: Register Online

Register for the event using the QR code below or by visiting evansvillehabitat.org/events/wfd. Enter your donations and select the fund you want to support. You can also have your sponsors enter their donations directly online or turn in the money and pledge form at the event.

Scan using the camera on your phone

Step 3: Join Us For The Walk On May 21

Join us at Bally's Evansville on the riverfront at 1:00 P.M. on Sunday, May 21. Check in at the designated table and get your free t-shirt. Walk the path and enjoy the festivities with your family, friends, and pets!

Increase the Impact of Your Gift

Habitat for Humanity of Evansville will receive matching funds based on how much you help us raise! This means each person who sponsors you can know that they are making an even bigger impact with their gift and helping more families have a safe, secure, and affordable place to call home.

Help us achieve our goal of raising \$120,000!

Match	Goal
\$62,000	#1 Fundraising charity (raise \$120,000+)
\$40,000	#2 Fundraising charity (raise \$120,000+)
\$20,000	#3 Fundraising charity (raise \$120,000+)
\$20,000	#4 Fundraising charity (raise \$120,000+)
\$10,000	Every other charity raising \$60,000+
\$5,000	Every other charity raising \$30,000+
\$2,500	Every other charity raising \$15,000+
\$1,000	Every other charity raising \$7,500+

How Your Gift Helps

Every dollar you contribute to Walking for Dreams on behalf of Habitat for Humanity of Evansville will go directly toward building homes in Vanderburgh and Posey Counties - not overhead expenses. Home ownership allows families to save more, invest in education, live in healthier environments, have financial security, and set themselves up for a future of success!

Your support will give families a hand up - not a hand out - as they work alongside our volunteers to build and buy their own home!
