*“Rejoice always, pray without ceasing, give thanks in all circumstances” — Paul’s words to the Thessalonians challenge us during these COVID times. Here at Habitat, we did our best to give thanks in all circumstances as FY2020 brought both achievements and challenges in abundance. And amidst the peaks and valleys, we remained joyful, prayerful and grateful throughout.*

### Peaks To Celebrate

- **18 families** became owners of beautiful, safe and energy-efficient homes.
- **22 other families** were approved for homeownership and able to gain sweat equity hours, complete the 6-Month Money Management Seminar and other homeownership preparation classes, and be slated for closing in FY2021.
- **13 families** paid off their last mortgage payment and now own their homes free and clear.
- **389 volunteers** worked on the construction site, helped in the office, mowed Habitat property, built yard barns, served on the board and committees, and planned events.

Several major initiatives began in FY2020 and will be celebrated in future annual reports, including St. Theresa Place, a 14-home subdivision on the site of the former St. Theresa Catholic Parish, and a first-ever annual giving campaign conducted by 25+ community volunteers.

### Valleys with Silver Linings

- Safety concerns prohibited widespread community volunteering, a critical way to acquaint the next generation with Habitat. Core Crew members responded heroically when restrictions were lifted, **subcontractors filled in when needed (and were paid through a grant from the local COVID-19 Response Fund)** and plans were made for the construction department of EVSC’s Southern Indiana Career and Technical Center to build a house in FY2021.
- We missed our traditional home dedications – the high point of the Habitat experience. But home dedication parades, outdoor dedications and even “Zoom closings” became the new normal. **We were able to close on 5 homes between March 2020 – when the pandemic first struck – and the end of FY2020.**
- Although COVID hit many families hard, only **9 percent (27 of 307 active mortgages)** applied for forbearance, the opportunity to temporarily postpone mortgage payments and place those payments on the back end of their mortgage.
- As countless businesses and organizations discovered during COVID times, any existing structural weaknesses were exacerbated by the pandemic. In Habitat’s case, the ability to work from home, to hold virtual meetings and to provide distance learning for homeowners simply did not exist. **A generous supporter changed all that – providing laptops and the technology infrastructure** so we could adapt, innovate and keep moving forward.

Yes, FY2020 has been challenging. But what makes us human is our ability to endure, to change and to grow. Thank you to all those whose names and faces are recorded in this annual report. Your partnership has helped us be grateful for both peaks and valleys and helped all of us “rejoice always.”

# Why we build

## Our Vision

A world where everyone has a decent place to live.

## Our Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

## Core Values

1. Demonstrate the love of Jesus Christ.
2. Focus on shelter.
3. Advocate for affordable housing.
4. Promote dignity and hope.
5. Support sustainable and transformational development.

## Building Homes Means...

Strength to create stronger futures for families.

Stability to save money, resources and time.

Self-reliance to become an engaged member of society.

## 100 Homes with 100 Families

Habitat's 2019–2023 strategic plan, provides the framework to guide Habitat's efforts to increase homeownership rates and build family stability in the Glenwood, Tepe Park and Jacobsville neighborhoods. Building 20 homes each year for the next 5 years – a 33 per cent increase in annual house production – will be an important measure of our success.

Additionally, Habitat is focusing on cluster building (3 or more Habitat homes on a single block) to raise property values and revitalize neighborhoods while continuing to prepare future homeowners for success through its 6-Month Money Management Seminar and other required and optional classes. A first-ever annual fund campaign will encourage donors to support Habitat with yearly contributions, with an overall fundraising target of \$10 million in gifts in the next 5 years.

## Women Build

Since 2001, dedicated women in our community – recognizing the profound impact of a safe and secure home in the lives of children and families – have come together as Women Build. By raising the funds, recruiting volunteers and welcoming women to the construction site where they can build floor systems, frame the house, install the siding and paint the interior – Women Build has helped nine local families become stronger, more stable and more self-reliant through homeownership.

Through “Building Homes, Building Leaders,” a unique leadership training program sponsored by Old National Bank with a goal of engaging 200 Southwestern Indiana women leaders, the 10<sup>th</sup> Women Build will come alive. Watch for results in the FY2021 Annual Report!

The Evansville Habitat ReStore has been setting goals and exceeding them this year! Despite being closed for two months due to Covid-19 shutdowns, the Evansville ReStore was still able to have the best month on record in July with over \$51,000 in sales thanks to community support. Because of faithful shoppers, generous donors, and loyal volunteers, the Evansville ReStore has raised enough money in the 2019-2020 fiscal year to sponsor a Habitat home for future homeowner Chelsea V. and her three sons: Josiah (6), Isaiah (5), and Noah (1). Because of supporters like you, Chelsea and her children now have a safe and secure home.

Habitat future homeowner Chelsea is thrilled that the ReStore is her sponsor. She says, "I feel like becoming a homeowner will give my kids the stability that they need. We won't have to move every year, which will be great. This is like a new start for my family." Chelsea smiles and adds, "I give all my thanks to God for making this part of His plan for me. I prayed very hard for this opportunity for my family, and He's been there every step of the way." Chelsea's home was completed in December of 2020, and her family was able to celebrate the holidays in the comfort of their new Habitat home!

Chelsea's Habitat home is the second Evansville ReStore-sponsored home. The ReStore is already generating funds to help another family reach the goal of homeownership. When you shop and donate to the ReStore, you are helping young children like Josiah, Isaiah, and Noah have a stable home to grow up in. Your continued support of the Evansville ReStore will help even more local families have a decent, affordable place to live.

# THE LOYAL DONOR SOCIETY

The Loyal Donor Society was established in 2019 to recognize Habitat supporters who give without fail every year. Donors first become eligible to join the Loyal Donor Society when they reach a consecutive giving threshold of five years. Congratulations to all members of the Loyal Donor Society – we could not do what we do without you! Your faithful giving purchases the nails, the boards, the bricks, the siding we need for every family. What home would be complete without a roof, a wall, a floor – you make it happen!

To honor you, our loyal partners, we've shown how you make a house grow. . .from an empty lot to a completed home where a family can thrive and flourish. In each category we honor individual donors 🌱 as well as our loyal corporate donors, foundations, organizations and faith communities 🌍 who support us each and every year.

# HABITAT HOMEBUILDERS SOCIETY

The Habitat Homebuilders Society was established in 2019 to recognize the cumulative giving of Habitat partners – those, who in their lifetimes, have contributed \$20,000 or more to Habitat's homebuilding ministry.

The Habitat Homebuilders Society further recognizes individuals and couples who have made a gift of \$1,000 or more to Habitat's annual campaign for the first time during FY2020 and are committed to continuing that gift in succeeding years.

Each level of the Habitat Homebuilders Society is named for a distinguished individual or event associated with Habitat for Humanity International's founding and subsequent exponential growth.

Millard Fuller (1935 – 2009) co-founded Habitat for Humanity International in 1976 along with his wife, Linda Fuller, and served in executive roles until 2005. When Fuller was awarded the Presidential Medal of Freedom in 1996, Habitat was described as “the most successful continuous community service project in the history of the United States.”

He is regarded as the spiritual father of Habitat for Humanity and Habitat's operational headquarters in Americus now bears his name.

After 35 years of service, Rainey “retired” as a paid staff member and moved to Guatemala where he plans to be involved with Habitat Guatemala as a volunteer for the rest of his life.

# HABITAT LEGACY

Founded in 2000, the Perigo-Prickett Society is Habitat's legacy giving society that recognizes donors who have remembered Habitat for Humanity of Evansville in their estate plans or made a contribution to the Habitat for Humanity of Evansville Endowment Fund with the Vanderburgh Community Foundation. Named after two of Evansville Habitat's founders, Jim Perigo and Jim Prickett, the Perigo-Prickett Society continues to grow, and Habitat is forever grateful for those furthering our mission to build homes, communities and hope in Vanderburgh and Posey counties. Thank you!
