A NOTE FROM OUR EXECUTIVE DIRECTOR

"If your gift is serving others, serve them well. If you are a teacher, teach well. If your gift is to encourage others, be encouraging. If it is giving, give generously. If God has given you leadership ability, take the responsibility seriously. And if you have a gift for showing kindness to others, do it gladly."

– Romans 12: 7-8

Each year around this time, I always take a moment to reflect on the past and think about all that you have accomplished at Habitat for Humanity of Evansville. I am in awe when I think about all the families who now have a safe and permanent place to call home thanks to our wonderful community. I am amazed by the countless hours our volunteers have spent building these homes alongside our future homeowners and the number of people who have so generously given their talents and treasures to provide a hand up to our families. Whether it is our generous and kind donors, our devoted and hardworking Core Crew and volunteer base, our talented and committed Board of Directors, or our dedicated and selfless staff, there is no shortage of people who are using the gifts God has given them to make a difference in the lives of others.

We had many things to celebrate in Fiscal Year 2023!

- **20** families received the keys to their homes.
- We were once again named a top-producing affiliate and ranked **16th** in the nation in new home construction out of 1,031 Habitat affiliates.
- We broke ground on our **600th** home.
- We made great strides in our "Coming Home to Tepe Park" building initiative, which will see **24** new homes constructed in the Tepe Park Neighborhood – and we hope to build more.
- **13** families made their final mortgage payments.
- **79** homeownership preparation classes were offered.
- We maintained our **4-star Charity Navigator** rating, which is a nationally recognized give-with-confidence stamp of approval.

As we look forward to 2024, celebrating our 40th anniversary and dedicating our 600th home, I want to personally **thank you for all you do for Habitat families and our community!** Nothing we do at Habitat would be possible without your support. You are answering the call to use the gifts God has bestowed upon you to make our Habitat ministry and the world a better place. I know I speak for all our families, who now have a decent place to call home, when I say that we are eternally grateful for your support!

Sincerely,

Beth Ann Folz

Families Now in Habitat Homes: 579

600 Homes in 40 Years

In April 2024, Habitat for Humanity of Evansville will celebrate its 40th anniversary. At this time, we will also dedicate our 600th home and become only the 25th Habitat affiliate to reach that mark. This is a tremendous accomplishment not only for Habitat, but also for the entire community because it means there are 600 families whose lives have been changed because of the support of people like you! For our homeowners, a Habitat home is much more than walls and a roof. It is an opportunity to create a better future for themselves and their children and achieve dreams they never thought were possible. Thank you for helping so many local families have a safe, affordable and permanent place to call home!

Tepe Park Update

In 2023, Habitat for Humanity of Evansville launched a new initiative to build 24 homes in the Tepe Park Neighborhood. Through your support, 7 homes have been dedicated and 17 more are currently being built! With the help of our other community partners like Community One, HOPE of Evansville, and Memorial Community Development Corporation, Tepe Park is continuing to grow and thrive. We will continue to build in Tepe Park throughout 2024 and hope to be a part of that neighborhood well into the future.

Walking for Dreams

On May 19, 2024, Habitat for Humanity of Evansville will participate in our third Walking for Dreams! Walking for Dreams is an annual fundraising event led by Paul and Holly Watzlavik and their family that helps raise money for local non-profit organizations. The Watzlavik family, along with several other generous donors, also provide matching funds based on how much an organization raises. Thanks to your generosity and these matching funds, we raised over \$205,000 from last year's event! We hope you will support us again this year and help us raise even more money to build homes for local families in need.

Ascension St. Vincent Partnership

Each year, Catholics for Habitat raise money to fund a Habitat home for a local family. Last year, we were blessed to have Ascension St. Vincent partner with us and Catholics for Habitat to help build even more homes. Ascension St. Vincent has committed to donate \$40,000 per year to help fund a home for a local family and will also supply volunteers to help build the home. Alex Chang, President of Ascension St. Vincent Southern Region, says, "As the region's leader in Catholic healthcare, we are proud to support the work of Habitat for Humanity of Evansville and Catholics for Habitat. Safe housing is key to maintaining one's health." The first home as part of this new partnership with Ascension St. Vincent is already underway and will be dedicated later this year.

HABITAT RESTORE

The Habitat ReStore sells a constantly changing inventory of diverse and high-quality merchandise to the public at a fraction of the retail price, while helping divert reusable household items and building materials from area landfills. These items are similar to what you may see at other home good stores but are donated by people in the community.

Proceeds from the ReStore go directly to Habitat for Humanity of Evansville and help us achieve our mission of providing everyone with a safe, secure, and affordable place to live. This means that when you support the Habitat ReStore by shopping, donating, or volunteering, you are not only supporting your community, but you are also giving deserving families hope and a future!

Thanks to your support of the ReStore, these families have a permanent place to call home!

WHAT IT TAKES TO BUILD

The City of Evansville provides property at a low cost through the Evansville Land Bank Corp.

The Core Crew's efforts save Habitat \$18,400 per house.

CORE CREW

The Core Crew is made up of men and women giving 80+ hours a year building Habitat homes. Groups volunteer on Tuesdays, Wednesdays and/or Saturdays from 7:30 a.m. to 2:30 p.m. doing a combination of jobs including building floor systems, raising walls, installing siding, completing interior work, and more. Becoming a Core Crew member doesn't require any construction experience and all skill levels are welcome.

The Core Crew is building homes from the ground up, and Habitat could not be more thankful for their dedication!

[†] Denotes those who have passed

The Loyal Donor Society was established in 2019 to recognize Habitat supporters who give without fail every year.

Donors first become eligible to join the Loyal Donor Society when they reach a consecutive giving threshold of five years.

Congratulations to all members of the Loyal Donor Society – we could not do what we do without you! Your faithful giving purchases the nails, the boards, the bricks, the siding we need for every family. What home would be complete without a roof, a wall, a floor – you make it happen!

To honor you, our loyal partners, we've shown how you make a house grow. . .from an empty lot to a completed home where a family can thrive and flourish. In each category we honor individual donors 🌟 as well as our loyal corporate donors, foundations, organizations and faith communities 🌐 who support us each and every year.

The Habitat Homebuilders Society was established in 2019 to recognize the cumulative giving of Habitat partners – those, who in their lifetimes, have contributed \$20,000 or more to Habitat's homebuilding ministry. The Habitat Homebuilders Society lists individuals, corporations, foundations and faith communities and does not include individual donors who are deceased.

The Habitat Homebuilders Society further recognizes individuals and couples who have made a gift of \$1,000 or more to Habitat's Welcome Home Campaign (annual giving) for the first time during FY2022 and are committed to continuing that gift in succeeding years.

Each level of the Habitat Homebuilders Society is named for a distinguished individual or event associated with Habitat for Humanity International's founding and subsequent exponential growth.

The Millard Fuller Society

Honoring partners whose cumulative giving totals \$500,000 or more.

Millard Fuller (1935 – 2009) co-founded Habitat for Humanity International in 1976 along with his wife, Linda Fuller, and served in executive roles until 2005. When Fuller was awarded the Presidential Medal of Freedom in 1996, Habitat was described as "the most successful continuous community service project in the history of the United States."

The Clarence Jordan Society

Honoring partners whose cumulative giving totals \$250,000 – \$499,999.

Clarence Jordan (1912 – 1969) was a farmer, Greek New Testament scholar and the author of the famed *Cotton Patch Gospels*. In 1942, he founded Koinonia Farm, an interracial Christian farming community near Americus, Georgia, where members worked together for the common good and all persons were treated equally. He is regarded as the spiritual father of Habitat for Humanity and Habitat's operational headquarters in Americus now bears his name.

The Clive Rainey Society

Honoring partners whose cumulative giving totals \$100,000 – \$249,999.

Clive Rainey joined Habitat for Humanity International on April 1, 1977, soon after the organization was formed, as its first volunteer. He is credited for developing the concept of "sweat equity" and popularizing the term. After 35 years of service, Rainey "retired" as a paid staff member and moved to Guatemala where he plans to be involved with Habitat Guatemala as a volunteer for the rest of his life.

On September 25, 1976, 27 people – Evansville's own Jim Perigo and Jim Prickett among them – met in Americus, Georgia, for the first-ever Habitat for Humanity International Conference.

The 1976 Society recognizes individuals and couples who have made a gift of \$1,000 or more to Habitat's Welcome Home Campaign for the first time during FY2022 and are committed to continuing that gift in succeeding years.

Founded in 2000, the Perigo-Prickett Society is Habitat's legacy giving society that recognizes donors who have either remembered Habitat for Humanity of Evansville in their estate plans or who have made a contribution of \$5,000 or more to an endowment intended to provide perpetual funding to Habitat for Humanity of Evansville, including the Habitat for Humanity of Evansville Endowment Fund and the Habitat for Humanity of Evansville Endowment Fund with the Vanderburgh Community Foundation. Named after two of Evansville Habitat's founders, Jim Perigo and Jim Prickett, the Perigo-Prickett Society continues to grow, and Habitat is forever grateful for those furthering our mission to build homes, communities, and hope in Vanderburgh and Posey counties. Thank you!

Thank You for Tithing

Habitat for Humanity of Evansville tithes a percentage of all money raised locally to help families all over the globe become homeowners. This past fiscal year, Habitat for Humanity of Evansville donors allowed us to send \$56,700 to Haiti and Uganda. Since its founding in 1984, Habitat for Humanity of Evansville has contributed \$1,347,929 to these global builds and has helped over 433 international families become homeowners.

HABITAT DONORS

Many thanks to all our donors who supported the mission of Habitat for Humanity of Evansville by making a financial contribution between July 1, 2022 and June 30, 2023.
