Board of Directors Habitat for Humanity of Evansville, Inc. and Subsidiary

## Report on the Audit of the Consolidated Financial Statements

#### **Opinion**

We have audited the consolidated financial statements of Habitat for Humanity of Evansville, Inc. and Subsidiary ("Organization") (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2025 and 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity of Evansville, Inc. and Subsidiary as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Habitat for Humanity of Evansville, Inc. and Subsidiary, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Habitat for Humanity of Evansville, Inc. and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

Habitat for Humanity of Evansville, Inc. and Subsidiary Page 2

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated
  financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
  of Habitat for Humanity of Evansville, Inc. and Subsidiary's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Habitat for Humanity of Evansville, Inc. and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Rewards, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 1, 2025, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control over financial reporting and compliance.

# 1. Organization and Summary of Significant Accounting Policies

## Nature of Organization

Habitat for Humanity of Evansville, Inc. (Habitat) is an Indiana not-for-profit organization founded in 1984 whose mission is to build safe, decent and affordable houses with low-income families in partnership with God's people in need in Vanderburgh and Posey counties in Indiana. Habitat is an affiliate of Habitat for Humanity International, Inc. (HFHI), a Christian not-for-profit organization that seeks to eliminate poverty housing from the world and to make decent shelter a matter of conscience and action. Although HFHI assists with information resources, training, publications, prayer support, and in other ways, Habitat is primarily and directly responsible for its own operations.

Habitat builds houses utilizing volunteer labor and donated materials, in addition to paid services and materials. The houses are sold to qualified homebuyers at no profit with non-interest-bearing mortgages. Prospective homeowners must have a need for housing, the ability to pay the mortgage, and are required to participate in the construction of homes.

Habitat for Humanity of Evansville ReStore LLC (ReStore) is an Indiana limited liability company formed in 2017 that is a wholly owned subsidiary of Habitat for Humanity of Evansville, Inc. ReStore operates a home improvement store in Evansville, Indiana that sells new and used home furnishings, building materials, and home improvement materials to the general public. Donations to the ReStore are made by contractors and other businesses, organizations, and individuals that have surplus or discontinued merchandise. The purpose of the ReStore is to raise funds to support Habitat programs.

## Consolidated Financial Statements

The consolidated financial statements include the accounts of Habitat for Humanity of Evansville, Inc. and Habitat for Humanity of Evansville ReStore LLC. Such entities are collectively referred to as "Habitat" in the consolidated financial statements. All material inter-organization transactions have been eliminated.

## Cash, Cash Equivalents, and Restricted Cash

Habitat considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to long-term purposes are excluded from this definition. Restricted cash represents 1) cash received as a result of the New Market Tax Credit Program and will be used to pay future program expenses, and 2) uninvested cash restricted for endowment.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

## 1. Organization and Summary of Significant Accounting Policies, Continued

## Houses Available for Sale and Land Held for Development

Houses available for sale represent homes that Habitat has acquired through foreclosure. The carrying value is remaining balance on the mortgage plus costs incurred to prepare the home for resale.

Land held for development is stated at cost and includes land under development, developed lots, and capitalized property taxes and other costs incurred for development. Donated land is recorded as a contribution at the estimated value at the date of receipt. If donors stipulate a time period during which the land must be used, the contributions are recorded as support with donor restrictions. In the absence of such stipulations, contributions of land are recorded as support without donor restrictions.

Real estate assets are evaluated for impairment if impairment indicators are present. An impairment write-down to fair value less costs to sell occurs when management believes that events or changes in circumstances indicate that its carrying amount may not be recoverable.

## **Construction In Process**

Costs incurred in conjunction with home construction are capitalized as construction in process. Habitat does not generally write down the value of construction-in-process to estimated sales value, because any excess cost over sales value is a component of program services. Capitalized construction costs are expensed when ownership transfers to the homeowners. Any post-settlement costs are expensed as incurred.

## Promises to Give

Unconditional promises to give are recognized as revenues in the period received, net of an allowance for uncollectible amounts. Management utilizes the allowance method of accounting for uncollectible promises to give, based on historical collection experience and current economic conditions. Promises to give are recorded at net realizable value. Promises to give expected to be collected in more than one year are discounted to the present value of future cash flows using a 2.86% discount rate.

## Mortgages Receivable and Allowance

Mortgages arise in connection with Habitat's home building initiatives. They are non-interest-bearing, secured by the home sold, and payable in monthly installments over the life of the mortgage, which is usually 20 to 30 years. Mortgages are discounted based on prevailing market rates for low-income housing at the inception of mortgages, as provided by Habitat for Humanity International, Inc., and range from 7.23% to 8.34%. Discounts are amortized using the straight-line method over the term of the mortgages.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

#### \_\_\_\_

## 1. Organization and Summary of Significant Accounting Policies, Continued

## Mortgages Receivable and Allowance, Continued

Management believes that losses resulting from non-payment of mortgages receivable, given its collateral value and discount, are not likely. Accordingly, Habitat has not recorded an allowance for mortgage notes receivable losses. Homeowners whose mortgages are more than 60 days past due, who have not made satisfactory payment arrangements, and who have not attended required counseling sessions, may be subject to foreclosure proceedings.

To ensure homes are affordable to qualifying homeowners, Habitat may issue additional silent mortgages on certain homes, valued as the difference between the homeowner's purchase price and the appraised value of the house at the time of sale. A prorated portion of the silent mortgages is forgiven each year over a specified period of time. Silent mortgages only become due if the homeowners sell their homes before complete forgiveness. These silent mortgages are not included in the consolidated financial statements because the revenue is not expected to be realized.

## Investment in Joint Venture

Habitat invests in joint ventures to take advantage of New Market Tax Credit (NMTC) financing. Habitat's investment in joint ventures is accounted for on the cost basis method since the Organization does not have significant influence over the joint venture. Distributions received are reported as a return of the investment. Management has not identified any events or changes in circumstances that might have an adverse effect on value of the investment.

#### Investments

Investments are stated at fair value. Investment return is reflected in the statements of activities as with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions. Investment income that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Unrealized gains and losses are included in the change in net assets. Investment income is reported net of investment expenses.

#### Property and Equipment

Property and equipment additions over \$500 are recorded at cost, or if donated, at fair value on the date of the donation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets. If donors stipulate a time period during which the assets must be used, the contributions are recorded as support with donor restrictions. In the absence of such stipulations, contributions of property and equipment are recorded as support without donor restrictions.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

# Organization and Summary of Significant Accounting Policies, Continued

## Net Assets

1.

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net assets without donor restrictions*: Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net assets with donor restrictions: Net assets subject to donor (or certain grantor) restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service.

## Revenue Recognition

Homes are sold to buyers that meet Habitat's qualification guidelines. The resulting mortgages are non-interest bearing and have been discounted based upon prevailing market rates for low-income housing at the inception of the mortgages. Sales to homeowners in the statement of activities and changes in net assets are presented net of the applicable discount. Habitat recognizes the income from sales to homeowners when the title transfers to the homeowner upon closing.

ReStore revenue is recognized at the point of sale, net of discounts and expected returns. Historically, sales returns have not been significant. Sales taxes collected from customers are excluded from revenue. Revenue reported from the ReStores includes cash receipts plus the fair market value of donated goods sold, net of the cost of inventory sold.

Habitat recognizes special event revenue equal to the fair value of the direct benefits to donors and contribution revenue for the difference when the event takes place.

#### **Debt Issuance Costs**

Unamortized costs related to the issuance of long-term debt are amortized to interest expense over the term of the debt using the straight-line method. The unamortized amount is presented in the consolidated statement of financial position as a reduction of the debt.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

Organization and Summary of Significant Accounting Policies, Continued

# Contributions

1.

Contributions are recognized when cash, securities or other assets, or an unconditional promise to give is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

A portion of Habitat's revenue is derived from grants which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when Habitat has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures or conditions are reported as deferred revenue in the consolidated statement of financial position.

## **Noncash Contributions**

Habitat received noncash contributions as follows for the years ended June 30:

	<u>2025</u>	<u>2024</u>		
Construction materials Professional services	\$ 18,271 40,975	\$ 25,621 36,876		
	\$ 59,246	\$ 62,497		

Habitat's policy related to in-kind contributions is to utilize the assets given to carry out its mission. If an asset is provided that does not allow Habitat to utilize it in its normal course of business, the asset will be sold at its fair market value as determined by appraisal or specialist depending on the type of asset. Habitat values the noncash contributions at the estimated fair value based upon purchases of similar products and services. In addition, a substantial number of volunteers contribute significant amounts of time to Habitat's program and supporting services. However, the financial statements do not reflect the value of these contributed services because they do not require a specialized skill.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

\_\_\_\_

# 1. Organization and Summary of Significant Accounting Policies, Continued

## In-Kind Contributions, Continued

All in-kind contributions received by Habitat were considered without donor restrictions and able to be used by the Organization as determined by the board of directors and management.

## Advertising

Advertising costs are expensed as incurred.

## Functional Allocation of Expenses

The costs of providing various services and activities have been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include occupancy costs, which are allocated on a square footage basis, and salaries and related costs, which are allocated on the basis of estimates of time and effort.

### Estimates

The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## 2. Liquidity and Availability of Financial Assets

Financial assets available within one year of the consolidated statement of financial position date to meet cash needs for general operating expenditures were as follows at June 30:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents Less cash restricted for home building Certificates of deposit Promises to give Mortgages receivable	\$ 2,877,671 (1,604,886) 800,989 177,461 1,036,104	\$ 2,861,823 (1,450,934) 1,077,760 8,750 962,772
	\$ 3,287,339	\$ 3,460,171

Habitat's goal is generally to maintain financial assets to meet at least 90 days of operating expenses. As part of its liquidity plan, Habitat invests cash in excess of daily requirements in short-term investments.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

## 3. Mortgages Receivable

Mortgages receivable consisted of the following at June 30:

	<u>2025</u>	<u>2024</u>
Mortgages receivable – current	\$ 1,036,104	\$ 962,772
Mortgages receivable – long-term	16,606,520	14,925,045
Total mortgages receivable	17,642,624	15,887,817
Less discount to net present value	(9,901,699)	(8,852,403)
Mortgages receivable, net	\$ <u>7,740,925</u>	\$ 7,035,414

## 4. Investment in Joint Venture

In 2025, Habitat participated in a New Market Tax Credit (NMTC) program that provides tax credits over a seven-year period to eligible investors for making a qualified low-income community investment. Program compliance requirements include creation of a promissory note and investment in a qualified community development entity (CDE). As a part of the NMTC, Habitat invested \$1,729,577 in a joint venture, HFHI NMTC Leverage Lender 2024-4, LLC, for a 25% ownership interest and secured a 30-year loan in the amount of \$2,450,000 payable to an affiliate of the joint venture (see Note 10). The loan proceeds are to be used solely for the purpose of constructing qualified homes to low-income residents. Remaining investment in the joint venture was \$1,723,214 at June 30, 2025.

In 2017, Habitat participated in another New Market Tax Credit program that provides tax credits over a seven-year period to eligible investors for making a qualified low-income community investment. Program compliance requirements include creation of a promissory note and investment in a qualified community development entity (CDE). As a part of the NMTC, Habitat invested \$977,844 in a joint venture, HFHI NMTC Leverage Lender 2016-1, LLC, for a 10.5% ownership interest and secured a 30-year loan in the amount of \$1,450,557 payable to an affiliate of the joint venture. The loan proceeds are to be used solely for the purpose of constructing qualified homes to low-income residents. Investment in the joint venture was \$912,672 at June 30, 2024. In December 2024, a put option was exercised on the loan which extinguished Habitat's ownership in the joint venture and the outstanding debt owed to the affiliate.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

\_\_\_\_

#### 5. Investments Restricted for Endowment

Investments restricted for endowment consisted of the following as of June 30:

		20	)25			20	024	
		Fair						Fair
		Cost		Value		Cost		Value
Cash equivalents	\$	1,871	\$	1,871	\$	1,274	\$	1,274
Mutual funds - stocks		79,888		94,016		42,993		48,202
Mutual funds - bonds	_		_			5,769	_	10,888
	\$	55,158	\$	95,887	\$	55,158	\$	60,364

Investment income and gains restricted by donors are reported as increases in net assets without donor restrictions if the restrictions are met in the reporting period in which the income and gains are recognized.

For endowment investment return, see Note 12.

## 6. Beneficial Interest in Assets Held by Others

Habitat contributed donor-restricted funds to the Community Foundation Alliance (CFA) and specified itself as the beneficiary. CFA was granted variance power to modify any restriction or condition of the distribution of the funds for any specified charitable purposes or to specified organizations if such restriction becomes unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community and area served. Income from these funds is distributed to Habitat for unrestricted purposes and the principal must remain intact for perpetuity. The historical cost of the beneficial interest was \$73,023 at June 30, 2025 and 2024. The fair value of the beneficial interest was \$88,690 and \$84,490 at June 30, 2025 and 2024, respectively.

#### 7. Fair Value of Financial Instruments

Generally accepted accounting principles provide a framework for measuring fair value. That framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Investments in cash and cash equivalents and mutual funds have readily determinable fair values and are Level 1 measurements.

The fair value of the beneficial interest in assets held by others is measured on a recurring basis using the unadjusted fair value of the assets held in the fund as reported by CFA.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

\_\_\_\_

# 7. Fair Value of Financial Instruments, Continued

Habitat considers the measurement to be a Level 3 input (based on significant unobservable inputs) because Habitat will never receive those assets or have the ability to direct CFA to redeem them.

Habitat's assets measured at fair value on a recurring basis were as follows for the years ended June 30:

				2	025			
		Level 1	Le	evel 2	]	Level 3		Total
Cash equivalents	\$	1,871	\$	-	\$	-	\$	1,871
Mutual funds - stocks		94,016		-		-		94,016

Property and equipment, net	\$ <u></u>	255,592	Φ	122,688

#### 9. Leases

Habitat leases facilities under noncancelable operating lease agreements. Leases have remaining terms ranging from 12 to 81 months, including expected renewal options. Habitat is reasonably certain to exercise one five-year renewal and has recognized this in the right-of-use assets and lease liabilities. The weighted average remaining lease term for all operating leases is approximately four years. The lease asset and liability were calculated utilizing the risk-free discount rate, which had a weighted average of 3.45%. Total lease expense was \$125,611 and \$105,966 for the years ended June 30, 2025 and 2024, respectively. The operating lease right-to-use assets approximate the operating lease liabilities.

Maturities of lease liabilities are as follows for the years ended June 30:

2025	\$ 150,850
2026	96,227
2027	97,790
2028	97,790
2029	66,990
Thereafter	 85,983
Total lease payments	595,630
Less interest	 (58,174)
Present value of lease liabilities	537,456
Less current portion	 (136,247)
Lease liabilities, noncurrent	\$ 401,209

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

\_\_\_\_

# 10. Long-Term Debt

Long term debt at June 30, 2025 consisted of a \$2,450,000 note payable to HFHI NMTC Sub-CDE IX, LLC, an affiliate of the joint venture discussed in Note 5, in conjunction with Habitat's participation in a NMTC in 2025. This note requires interest only payments until February 2032 at 1.2899112% and matures in February 2055. The loan is secured by substantially all the assets acquired by Habitat from the project loan proceeds. The loan has a put option exercisable in February 2032 that will enable the joint venture to become owner of the affiliate, and effectively extinguish Habitat's ownership in the joint venture and the outstanding debt owed to the affiliate. Unamortized debt issuance costs were \$186,429 at June 30, 2025.

Long term debt at June 30, 2024 consisted of a \$977,844 note payable to HFHI NMTC Sub-CDE II, LLC, an affiliate of the joint venture discussed in Note 5, in conjunction with Habitat's participation in a NMTC in 2017. This note required interest only payments until November 2024 at 0.674252% and matures in November 2047. The loan was secured by substantially all the assets acquired by Habitat from the project loan proceeds. The loan had a put option that was exercised in November 2024 that enabled HFHI NMTC Leverage Lender 2016-1, LLC to become owner of the affiliate, and extinguished Habitat's ownership in the joint venture and the related outstanding debt, resulting in a gain on extinguishment of debt of \$480,076 for the year ended June 30, 2025.

## 11. Retirement Plan

Habitat maintains a Simple IRA defined contribution plan covering substantially all of its employees. Habitat matches employee contributions up to 3% of eligible wages. Plan contributions were \$29,587 and \$23,126 for the years ended June 30, 2025 and 2024, respectively.

#### 12. Net Assets with Donor Restrictions

Net assets with donor restrictions consisted of the following at June 30:

	<u>2025</u>	<u>2024</u>
Subject to purpose restrictions:		
Building of homes	\$ -	\$ 53,750
Net assets to be maintained in perpetuity:		
Cash restricted for endowment	10,000	6,000
Investments restricted for endowment	95,887	60,364
Beneficial interest in assets held by others	 88,690	 84,490
	\$ 194,577	\$ 204,604

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

#### \_\_\_\_

## 12. Net Assets with Donor Restrictions, Continued

Net assets released from restrictions were \$53,750 and \$283,211 for the years ended June 30, 2025 and 2024, respectively.

## **Donor-designated Endowments**

Habitat's endowments consist of donor-restricted funds, which are included in investments restricted for endowment and beneficial interest in assets held by others on the accompanying statement of financial position. The principal balance of the donor-restricted endowments is reported as net assets with donor restrictions based on the existence of such restrictions. Any earnings not expended at year-end are reported as net assets with donor restrictions.

Absent explicit donor stipulations to the contrary, Habitat has interpreted the State of Indiana's Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, Habitat retains in perpetuity and classifies as net assets with donor restrictions (1) the original value of gifts donated to the perpetual endowment, (2) the original value of subsequent gifts to the perpetual endowment, and (3) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity are subject to appropriation for expenditure by Habitat in a manner consistent with the standard of prudence prescribed by SPMIFA.

In accordance with SPMIFA, Habitat considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of Habitat, and (7) Habitat 's investment policies.

Habitat has adopted an investment policy that attempts to maximize total return consistent with an acceptable level of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make annual distributions in accordance with the spending policy, while growing the fund. Accordingly, Habitat expects its endowment assets, over time, to produce an average rate of return of approximately 7.5% annually. Actual returns in any given year may vary from this amount. Investments are managed to not expose the fund to unacceptable levels of risk.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

\_\_\_\_

## 12. Net Assets with Donor Restrictions, Continued

## Donor-designated Endowments, Continued

Habitat has a spending policy of appropriating for distribution each year, 4.5% of its endowment fund's average fair value of the prior 12 quarters in the fiscal year in which the distribution is planned. In establishing this policy, Habitat considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. Habitat expects the current spending policy to allow its endowment funds to grow at an average rate of 3% annually. This is consistent with Habitat's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Changes in endowment net assets were as follows for the years ended June 30:

	<u>2025</u>	<u>2024</u>
Beginning of year Contributions Interest and dividends Unrealized gains Fees	\$ 150,854 29,342 1,445 14,485 (1,549)	\$ 110,935 28,399 1,054 11,850 (1,384)
End of year	\$ 194,577	\$ 150,854

#### 13. Transactions with Affiliate

Habitat remits a portion of its contributions to HFHI annually. These funds are used to construct homes in economically depressed areas around the world. Habitat contributed \$62,100 and \$62,100 to HFHI for the years ended June 30, 2025 and 2024, respectively. In addition, Habitat paid HFHI \$15,593 for operational support for each of the years ended June 30, 2025 and 2024.

#### 14. Income Taxes

Habitat is exempt from income taxes as a nonprofit corporation under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The income derived from ReStore sales is exempt from unrelated business income tax because substantially all sales consist of merchandise that Habitat received as contributions. Habitat believes that it has support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

\_\_\_\_

#### 15. Risks and Uncertainties

Financial instruments that potentially subject Habitat to credit risk consist principally of cash on deposit at financial institutions, promises to give, investments, and mortgages receivable. Cash in banks may, at times, exceed federal deposit insurance limits. Habitat attempts to minimize this risk by using high-credit quality financial institutions. Promises to give, which represent unsecured support, are periodically reviewed by management for their collectability and an allowance for doubtful accounts is established, as deemed necessary. Investments are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect reported amounts. Mortgages receivable are secured by the property purchased.

# 16. Subsequent Events

Habitat has evaluated subsequent events through December 1, 2025, the date the consolidated financial statements were available to be issued.
